PRESIDENT'S MESSAGE

*G.A. Lacerenza
President*

Don't knock soccer! Until two years ago the stability of the Soccer Federation both financially and administratively was beyond question.

At this moment like our great country the Soccer Federation is suffering from a self-inflicted recession but neither should be written off as both will eventually enter into a new phase of prosperity and success. The Soccer Federation has a great deal to be proud of. W.A. was the first State to employ a Director of Coaching which together with subsequent coaching courses initiated has ensured that the standard of the game has improved and is still improving.

Two local boys have recently taken part in the World Under 17 Championships. Tony Carbone captained the National side and Vas Kalogeracos scored four goals in the competition although missing one game. This representation can only auger well for the well being of soccer in W.A.

More and more schools have added soccer to their curriculum due to the continuous efforts of the Director of Coaching and his staff.

Our Referees Federation have gained significant recognition by the inclusion of David Mortimer on the N.S.L. Panel of Referees. He joined stalwart Barry Harwood making it the first time that W.A. have had two match officials on call. It is their participation in Federation games at all levels that enabled them to obtain the experience and expertise that justifies their well-earned appointment.

When the administration is settled once again we would like the State Government to consider assisting the Federation financially as they have done with other sporting bodies without the impediment of mandatory conditions which may well be against the very principles of our game.

There must be something of great value in the Soccer Federation of W.A. for so many show a great desire to take it over.

Soccer is the world's greatest team game, let us prove it by pulling together towards success and stability.

**G.A. LACERENZA
President**

DIRECTOR OF COACHING REPORT BY JOHN WARD

INTRODUCTION

I believe that 1991 will be a big year for soccer, with all the facets of the code coming together.

This will allow for this great game of ours to reach its full potential and the high ranking in W.A. sport that the game deserves, as so many other sports have copied what soccer is doing in its development areas and coach education.

I am reporting on what should be happening in 1991, particularly if development plans are drawn up and funding is available to implement those plans.

COACH EDUCATION

It was good to see that in 1991, the numbers of coaches that attended coaching courses were up on previous years. The numbers are as follows Level I -127, and Level II -61.

One change that will be taking place in 1991 is the introduction of the General Principles of Coaching which will be added to the A.S.F. course at Levels I, II and III.

Courses to be run in 1991 will be as follows:

Up to six Level I courses in the early part of the season.

Level II course Part A -3 courses:- 2 early season and 1 at the end of the season.

Level II course Part B - General Principles: 1 course run during the season.

A Level III course will be run starting in December 1991. Part A of the course will be a 5 day residential course to be held at Penrhos College, Como. Parts B and C will be run during 1992. The Fitness for Soccer component will be run during October 1991 and this is Part D of the Level III course.

All coaches need to attend the Parts A and B of the Level II courses as a prerequisite of the Level III course.

YOUTH DEVELOPMENT

The District Academies and Schools of Soccer Excellence have improved with some 400 junior players being coached to district or State team level prior to respective squad selection. One of the important factors in these programs is that these players will be our future Super League and State team players and if their techniques and skills are worked on and improved on, the standard of play at the top level will improve as senior coaches won't have to spend time teaching them in senior ranks, which in some players cases may be too late.

The Youth team program is now a 2 year Development program to fall in line with the National Team programs.

My role as a satellite coach to the Australian Institute of Sport is an important part of the local development program, so I have to identify along with the State team coaches, the players that have potential to represent Australia at U17 and U20 level.

Our junior State team results improved in 1990 with the:-

U13's finishing 2nd.

U14's finishing joint 3rd.

U15's finishing 3rd.

Players attending the Australian Institute of Sport are Vince Matassa, Vasili Kalogeracos and Tony Carbone. These three players were identified through the State team coaching programs.

HIGH SCHOOLS

The Special School at John Curtin S.H.S. is going well and it was good to see some of the coaches from the Federation clubs putting on sessions with the players. By 1992 there could be more than 100 boys at the School receiving coaching for 2 periods a week in line with their other school work. Peter Rickers would welcome any Super League coaches to his School to work with the players for a session.

COUNTRY VISITS

My visits to country areas late in the year were confined to the Pilbara and Kalgoorlie. It is my intention to visit the country areas this year in an effort to assist in coaching and administration to enable the coaches and players to get more out of the game.

This part of my work will be done in the early part of the season. I then hope to follow up my visits later in the year or at least establish a time to work in country regions each year.

It is intended to run a School of Soccer Excellence and an Academy in Bunbury this year.

CLUB VISITS

My visits to clubs was to assess coaches who were taking part C of the Level III courses. As there is no Part C this year, I hope to visit clubs to work with players and coaches as and when requested if time permits.

PRIMARY SCHOOLS

The Primary Schools program was extended in 1990 with the Junior Soccer Association making available money to provide schools with soccer balls and mini goal posts.

This gave the opportunity for some Super League players to attend the school to supervise the coaching sessions and demonstrate their skills to the children.

The Soccer Federation of Western Australia provided literature and posters for the schools.

This program should improve this year with more schools being visited.

I trust that the Super League players will again make themselves available for the schools program which will in turn compliment the Aussie Sports program which is run for the Primary Schools.

John Paul De Marigney was a great success in the schools that were fortunate enough to receive coaching from John during his short stay in Perth.

The Soccer Federation Lightening Carnival is due to be held on August the 13th for District round and 20th for the finals.

SUMMARY

The Development Program is a large program and with the updating of the coaching courses, the time is right for people to get involved, particularly in the Primary Schools program which is an area that will be targeted again in 1991.

It is the intention of the A.S.F. to run a Coaches Licensing Scheme. This should be in operation by 1992. Coaches shall receive further information through the year.

I would like to wish all coaches and players all the best for 1991. If coaches need any assistance, it is only one part of my job to assist you.

UPDATING AND COACHES LICENCE SCHEME

The coaching courses run by the Australian Soccer Federation are now being updated to satisfy the requirements of the Australian Coaching Council.

This means that the courses will be updated to include the General Coaching Principles as follows:-

Level I course is now increased to 15 hours to include the role of the coach, sports injuries and growth and development.

Level II course will now include as Part B the following topics:-

- 1) Sports Injury Awareness
- 2) Physiology (Fitness for Soccer)
- 3) Biomechanics
- 4) The Role of the Coach
- 5) Planning the Program
- 6) Acquisition of Skill
- 7) Work Book Diary

Topics in Part B will consist of a 2 hour lecture with a 1 hour assignment. Part B can be done by correspondence (for the country coaches), attending the Ministry of Sport Course or the one run by the Soccer Federation of W.A. in conjunction with the Level II Courses.

This also means that some of the topics will be taken out of the Level III course and put into the Level II course syllabus, namely the fitness for soccer component. This will leave more time for coaching practice on the Level III course.

Once coaches have completed both parts of the course, they can then become Australian Coaching Council Accredited and also be put on the A.S.F. National Coaches Licensing scheme which will come into force in 1992.

The idea of a licensing scheme is to set standards to the various levels of coaching and where coaches will have a licence to coach at a certain level.

Academic and overseas Accreditation will be taken into consideration in the new licensing scheme.

Coaches can also gain credit points to add to the A.S.F. criteria to upgrade their licence by taking part in the various section of the Development Program of coaching in schools, clubs etc. This part has yet to be finalised, but the coaches can call me for further information on these matters.

DAVID ANDREWS

1990 would have been a special year for soccer writer David Andrews, for it marked a quarter of a century that he had been writing a soccer column in the West Australian Newspaper.

Before David came to Perth in 1959, he had played as a centre forward for Eastern State clubs Bankstown and Hakoah. He continued his soccer career in W.A. with local clubs in Perth City, Claremont and Subiaco. During this period of time he appeared at many of the local night spots as a stand up comedian. Having inherited a love of show business from his father, he often appeared on the same bill with personalities such as Rolf Harris and Garry Meadows.

David gave up show business in 1965 and took up soccer reporting at the West Australian where he was already employed as Deputy Librarian. As the game became more professional and more people were participating in the sport, so his column became more important and David became the most informed and knowledgeable person on the local and intra state soccer.

No-one would agree with all of David's views concerning the running of soccer, but over a period of time when few people or media outlets were prepared to promote the game, it was his flame of enthusiasm that continued to flare when everything else succumbed to the conflagration of coverage given to other sports. With journalist Peter Argo, he produced the magazine "The Soccer Scene" for a number of years, but like so many soccer periodicals before and after it, it died from lack of support.

In 1973, he increased his service to soccer by undertaking the Saturday evening Soccer segment of the ABC television's sport show. This gave the results of the State League games together with some action of the days play.

Early in 1990, David ceased writing his soccer column in the West. His pen slowed and came to a halt. After twentyfive years of dedicated coverage to a sport he obviously loved.

So often we allow our sports personalities to disappear into oblivion of retirement without a word of appreciation for past services.

If it's not too late, Thanks David!

SUPER LEAGUE

1990 was the second year that the Federation Super League Championship had been determined by the outcome of a final series play off, and for the second year running Floreat Athena headed the table only to miss out in the final deciding games.

In 1990 it became the Top Five when fifth placed team Croatia, twenty seven points behind the league leaders were given the chance to become the Super League Champions.

Floreat Athena had a tremendous league season completing the competition without defeat, in fact did not drop a point until June 30th when they drew with Stirling Macedonia at Macedonia Park.

They went on from there winning the remainder of their league games, amassing seventy-one goals at an average of nearly four goals a game. Thirty-one of those goals were scored by the League's top goal scorer, John Hunter, who also went on to win the Federation Fairest and Best Gold Medal.

Italia, after winning the Night Series did not have the confident start to the league season that one might have expected, in the first half they lost to Athena and Sorrento and drew with North Perth Croatia, but in the second half they made amends to some degree only losing to Athena and culminating the season with a ten nil win over the luckless Kwinana United. Anyway it gave them second place nine points behind the Minor Champions.

Stirling Macedonia in third spot lost to lowly Kingsway Olympic, and were beaten by newly promoted club Kelmscott Roos who had opened the season on a high note with a good win over Spearwood Dalmatinacs then followed this by beating Kingsway Olympic three nil so moved to fourth position which they were able to maintain right to the end at the expense of North Perth Croatia who had been potential finalists right from the second game when for a brief one week period they had been at the head of the table.

Kwinana United the other club to be promoted from the Premier League will be disappointed with their final showing, after the first four games they had won three and lost one, but from then on they only picked up two further points with draws against Dalmatinacs and Sorrento.

Spearwood Dalmatinac will be dissatisfied with their results, when one recalls the exciting league battles they had been involved in the past with Kingsway Olympic, both clubs will surely be longing for a return to those past glories.

Sorrento will be unhappy to finish out of the top five, but only sixteen goals in the 'for' column looked as if the forwards had gone on strike.

Bayswater Inter sat on the bottom of the table for much of the season, it must have caused a great sigh of relief when they extricated themselves from the ignominy of wooden spoonists.

The first game of the finals was an elimination final between the fourth and fifth placed clubs Kelmscott and Croatia, with Croatia winning a very exciting contest by four goals to three. They went on to play Stirling Macedonia in the First Semi-Final where they received a six one drubbing, with Macedonia's Frank Bate scoring a hat trick.

In the second semi final Athena should have felt fairly confident having beaten Italia in both league games. But the tables were turned and it was the Championship holders who won, and took the honours by three goals to one.

So to the Preliminary Final at Dorrien Gardens and Athena fighting to prove that they were the ones who should be contesting the Grand Final, but it wasn't to be, goals from the Macedonian Youngest and oldest players, in Keagan and Garvey respectively saw Athena's hopes dashed and a goal from Ronnie Campbell could not save the Minor Champions from being eclipsed.

With the pre match build up heightened by a controversial decision to allow suspended Robbie Dunn to play for Italia then the Grand Final was set for a fiery encounter between two strong sides.

And so it turned out, a crowd of some 4,000 were left breathless with excitement as the play flowed first one way then the other, something had to give, unfortunately it was players tempers that cracked under the red hot pressure and when a couple of fists flashed, referee Andy Hassle had no alternative but to send Alan Armstrong of Macedonia, and Mel Brown of Italia from the field of play.

The first goal did not come until the seventy seventh minute when Italia's Collova converted a Tiltman cross, and Italia must have thought the cup and the Championship was as good as theirs, but with seconds to go Macies Alan Herscher levelled the score and so it was into extra time.

The extra time was as nail bitingly tense as the previous ninety minutes.

It was Hersch who scored again for Macedonia putting them in front for the first time, but the lead was short lived as the tall Dave Evans scored with a glorious header from a corner. It was Super Sub Tiltman who regained the lead for his team, and a further goal was scored by Italia's Captain and former Soccer Roo Robbie Dunn with a shot that the diving McNally could only parry into the net. So with this four two victory, Italia as a club took their second step into the most successful season in its history.

Premier League

It was Fremantle Benfica who made the initial running in the sixteen team Premier League, they went twelve games before suffering defeat at the hands of Bassendean Caledonians, while the eventual league champions, Ferndale, were beaten fairly early in the season by Inglewood Kiev who also had a magic run of eight games without defeat.

Rockingham City who finished the season as runners up in the league, made a very undistinguished start losing their first game to Benfica. Bassendean Caledonian who made up the top four were eleven points behind the leaders at the close, two losses to Forrestfield United would not have helped their position, and draws to Vardar and Balga when they well may have expected to gain full points.

Melville Alemannia were holding their own up to about three quarters the way through the season, when a series of losses put them right out of contention for top honours.

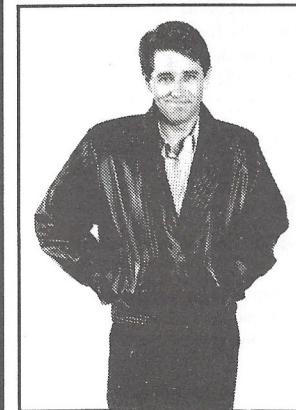

Forrestfield United were a little inconsistent, they had a bad run until they met Caledonians and two goals by Andy Godfrey gave them a two nil win and a moral booster.

East Perth Vardar will probably be satisfied with finishing at the half way mark especially as they came from the 3rd Division only this year.

Balga, Gosnells City, Swan Cracovia, Galeb and Morley Windmills have all had experience in the State League in the past but finished up in the wrong half of the table in that order. Leaving Cockburn United to finish up at the bottom of the ladder with only a dismal two wins from thirty games.

One thing that the sixteen club leagues creates is a need for players to see a club through the long competitive period, Cockburn for instance used forty-five players, only surpassed by Western Yugal in the First Division who required the services of no less than fifty-one participants to honour their Federation commitments.

FIRST DIVISION

The First Division was thrown in some what of a turmoil, when after thirteen games Swan Athletics had to withdraw. The remaining fifteen clubs now had to contend with a bye and possible a welcome rest. The division was newly formed out of the old third and fourth divisions after there had been a shuffle from the top down, it saw the end of the Fourth Division which had been running continuously for the last twelve years.

Whitford City who had come into the newly named Division on merit went sixteen games without defeat, until they suffered a loss; to Ashfield Dynamo who together with Swan I.C. seemed to be Whitford's nemesis for both of those clubs took four points from them.

Dianella Serbie scored an amazing 105 goals and made second spot six points behind the leaders. Canning Corinthians were a further two points back on 62 but were nearly thirty goals behind.

Armadale Park fifth in the Third Division in 1989 improved their position by one place and made Top four. Eighth in the Old Third in the previous season, Ashfield Dynamo made some headway, but never reached the promise they so often show.

Swan I.C. would have won promotion into the new league, and sixth place was perhaps a satisfactory result after coming into a strange new competition.

Swan I.C. seemed to determine the gap between the strong sides and the also rans, for there was an eleven point gap between them and Booragoon Zavica. Some clubs who are part of the history of soccer in W.A. such as Perth City, Subiaco, Queens Park and University unfortunately were listed in the lower half of the table, University claiming fame for the use of shirts numbered into the fifties.

Geraldton La Fiamma who made the long trips down to Perth every other week must be congratulated on their showing, their biggest defeat was by Canning Corinthians, it's no surprise to learn that most of their losses were away from home, when finding a fit team able to play and travel must have been a difficult exercise.

Our old friends Yugal probably created a couple of records during the season, they had 177 goals against and used 51 players during the course of the year, but no where could I find that they had not met their commitments and turned out two teams each week.

YOUTH LEAGUE

The Youth League developed into a really close competition as it neared its end, with one game to go the table showed that Kelmscott, Italia and Athena, in that order, were each separated by one point.

The game between Macedonia and Kelmscott became the important match, Italia beat Kwinana United 4-1, and went to 38 points, Athena defeated Bayswater Inter 3-1, and Macedonia who were facing the league leaders and comparatively the strongest opposition won the game by five goals to three.

So Italia Youth Team won their League and went on to clinch the Championship when they won the play off.

UNDER EIGHTEEN

It was not long after the start of the season that it was obvious that it would develop into almost a two horse race between Macedonia and Italia.

One after the other the remaining clubs came to the front, but unable to stand the pace, fell by the wayside. On the fourth of August Italia defeated Macedonia two goals to nil, and that was the end of the race, for Macedonia only picked up three more points, but Italia with their nose in the front went from strength to strength and at the end were ten clear points ahead.

It is surprising to see that Athena so strong in the other leagues were bottom of the Under Eighteen League from almost start to finish.

Italia went on their successful way by winning the play-offs and confirming their Championship status.

PREMIER DIVISION RESERVES

Ferndale United Reserves emulated their illustrious First Team by winning their league, but easily left them behind in the final statistics. The senior side were just two points ahead of their nearest rivals, but the Reserves were a large fourteen points in front of Benfica. They scored 101 goals for 22 against, and lost just one game. Benfica, Kiev and Stirling Phoenix made up the other top four positions, and with Ferndale's decision not to accept promotion it will be second and fifth placed Benfica and Rockingham who will be savouring Super League Soccer in 1991.

FIRST DIVISION RESERVES

Whitford City did a remarkable double, Champions in both the League and the Reserves. The reserves played 26 games two short of the First Team due to the fall out of Swan Athletic and La Fiamma, who, because of the distance involved in travelling from Geraldton are not forced to field a reserve side. Whitford Reserves won 21, drew 4, and only lost the one game and that to Queens Park by five goals to two.

D'ORSOGNA CUP

First Round —

In previous years the big guns of the Federation leagues have generally had their entry into the D'Orsogna Cup delayed for a couple of rounds. But in 1990 some of the illustrious names lined up with the Country Associations, Amateurs and the clubs from the supportive divisions.

None of them were extended, although Kelmscott Roos, back in the Super League for the first time since 1986, were put out by their Super League colleagues Bayswater Inter. Back in 1986 Kelmscott had a bad league season and were relegated, but won the D'Orsogna Cup after a tremendous final against Kingsway Olympic which they won by two goals to one.

Amateur club, Wescoa, did well to defeat Cracovia five-four after penalties. That was as near as we got to a giant killer.

Second Round —

Those clubs who had enjoyed a bye in the first round now joined the competition and for the first time we saw Albany, who have had an enviable record in the Cup, put out that strong First Division side Ashfield Dynamo by 5 goals to three after penalties and La Fiamma from Geraldton were beaten easily by Kingsway Olympic.

All the Super League sides went through fairly easily. Macedonia playing away scored thirteen goals without reply against Espanol but Perth Italia with a scoreline of 5-3 struggled a little as they beat Fremantle Benfica.

Third Round —

Albany had a repeat of the nightmare that they experienced in the 1987 D'Orsogna Cup when Stirling Macedonia travelled to the Southwest coastal town and ran riot defeating the home side by 9 goals to nil. In 1990 Macedonia went one better and made it 10.

Probably the surprise of the round was Spearwood Dalmatinac's win over Cup-holders Athena who must have been hoping to retain the trophy for the fourth consecutive year.

Perth Italia's three-one win over Alemannia was not the confident performance one expected. Ferndale eliminated Super League side Kingsway Olympic while Rockingham City had a narrow win over Toscany Phoenix.

Quarter Finals —

As normally occurs at this stage we had a predominance of top echelon clubs left in the competition but Ferndale United and Rockingham City despatched both their Super League opponents.

Ferndale with a magnificent win over Macedonia by 2 goals to one and the seafiders had a two-nil win over Bayswater Inter. Oriano Colli of Perth Italia scored the only goal in their tie against Sorrento while Croatia could thank Andy Irvine and Ray Marinovic for the three goals that gave them victory over Dalmatinac.

Semi Finals —

In Italia's three-two win over Croatia it was Evans and Dunn who stole the glory with a goal a piece with Christie's early effort earning them a place in the final. After 70 minutes they held a three-one lead. Croatia's Irvine scored and with time running out Robinson converted a penalty to lower the difference but it was too late.

The second Semi Final was a clash of the Premier League giants Ferndale United and Rockingham City, holding first and second position in the League respectively. It was substitute Bob Newbury who came on at half time who turned the tide for Rockingham. He netted twice while a third by Gary Dalglish was too much for the one goal scored by Ferndale's Micky Cairns.

Final —

Only once before have Rockingham reached the Final of the D'Orsogna Cup, that was in 1987 when they lost a close game to Fremantle Tricolore. They were hoping the second involvement would bring them success and glory but it was not to be although Steve Duckworth scored a hat-trick he was to be on the losing side. The overall strength of Italia was probably the deciding factor even though they finished with only ten men, Shaun Murphy having been sent off.

Goals from Christie (2) Collova and Murphy gave Italia the Cup and made it a clean sweep of Federation trophies for the Club for the 1990 season.

RESERVE CUP

The Reserve Cup since 1969 has always been played in conjunction with the D'Orsogna Cup. As a rule it is the Super League clubs who provide the finalists and winners but in 1989 it was Premier League Club Caledonians who were successful.

Unfortunately as the holders they were defeated by Croatia in the First Round. Amateur club Mandurah did well to beat Whitford City one-nil but were knocked out in the next round by Athena.

Queens Park had a five-one win over Galeb in the Second Round but there were no further surprises.

In the Third Round of the seven Super League clubs left only Bayswater Inter were knocked out, beaten by Wanneroo British who progressed into the Semi Finals with a win over Rockingham but were halted there when beaten two-nil by Macedonia.

The other Semi Final was won by Italia over their old rivals Athena with the only goal of the game being scored by R Perruzza.

Another low scoring game saw Italia win the Final over Macedonia when Domenic Scafetta scored the solitary goal.

UNDER 18 CUP

With only ten teams in the U18 Cup the number of games were restricted. Dalmatinac lost to Croatia as did Kwinana to Kelmscott. The two winning teams went on to make the Quarter Finals with the remaining six.

It was Sorrento, Italia, Kelmscott Roos and Athena who came through. Both the Semi Finals had to be decided on penalties. Kelmscott and Athena were locked on a nil-nil scoreline after full time. Kelmscott managed six conversions to Athena's five and were joined by Italia in the Final. Italia defeated Sorrento when they were successful with three spot kicks to Sorrento's two.

In the Grand Final Kelmscott capitulated to a rampaging Italia team who seemed intent on emulating their seniors in winning all that they entered. In pursuit of this aim they flashed five goals past the Kelmscott defence with Adrian Biundo notching up a hat trick and being assisted by Ricky Carbone and Vince Tana in completing the scoreline.

Macedonia's Alan Armstrong heads clear over an Italia forward.

EDITORIAL

As the editor and producer of the 1991 Soccer Annuals, I feel it is pertinent to make one or two observations on its productions.

Some research indicated that players like to see the club statistics included and so I undertook to convert these from match cards into the format you see printed, it was a time consuming task, but with some interest as names of players well known to me personally appeared from time to time, but for it to be of any value, these players who take the field must be numbered from one to eleven and the two reserves 12 and 13. Some wearing 13 and yet selected to play each week will only appear as a reserve in the statistics.

THE FORMATION OF LEAGUES

In my opinion, all leagues should contain the same number of teams. If the Super League is twelve, then the others should be twelve, then when clubs in different divisions are sharing grounds, they can be paired without the disruption of fixtures for other clubs.

TOO LARGE

Sixteen teams in a league seems to be unwieldy. Some clubs cannot get onto their ground until the second week in April and must be given two away games for the start of the season. This immediately throws the whole season into a turmoil resulting in clubs having to play a number of games consecutively away or at home.

ADVERTISING

One of the hardest parts of preparing this book is obtaining sufficient advertising to cover some of the cost for enabling the soccer fraternity to purchase it at a fraction of its cost. In thanking the many advertisers for their time and support. I also ask all readers to in turn consider them when possible.

PUBLISH DATE

I have worked hard to have this book ready by the due date, but our deadline for material was the 14th of February. Fixtures and By-laws were not available until the 1st of March. Hopefully you are reading this before the start of the season and enjoying its contents.

Congratulations to Perth Italia on their great achievement in 1991 from William and Staff at...

MSCOW TORPEDO

Moscow Torpedo completed an unbeaten tour of Australia when they defeated a gallant West Australian State Team at the W.A.C.A. under lights on Sunday 28th January by two goals to one.

As far as the weather went a worse evening could not have been chosen, the rain simply bucketed down for most of the game, and as part of the cricket table was included in the soccer pitch it soon had a sheen of water on it spread right across, that made it treacherous for friend and foe alike. How anyone could play skilful soccer in such conditions is impossible to conceive, that both teams did provide an exciting game for the large crowd that attended is a tribute to the professionalism and artistry of both sides.

The Russians were quick to get into rhythm which was predominantly elegant one touch football, while W.A. relied on the speed and strength of their forwards.

Russia's first goal came when the actual conversion was overshadowed by the quality of the superb pass by Oleg Shirinekov which found Andrei Radakov who slammed the ball past W.A.'s Willie McNally. After the goal the Russians certainly took the initiative and for long periods controlled the mid field with some delightful soccer.

A moment of glory came for the hard working home side in the thirty third minute when Roki overlapped down the right flank and his spot on centre was easily slotted home by Hunter from seven metres giving Sarichev in the Russian Goal no chance.

Both Wormley and Greer were unlucky not to score. But it was the Russians who came back in the seventy sixth minute Rudakov made a perfect pass to Zhukov who was able to score with some ease.

Hunters goal was the only one that the visiting Russians conceded throughout their tour.

Noel Larkin looks on as Willie McNally saves at the foot of a Russian forward.

SARAWAK

Played three games against Super League club sides with mixed results. They defeated Bayswater Inter by three goals to nil, drew with Kingsway Olympic two-two, and lost to Kwinana United by two goals to one.

SINGAPORE NATIONAL TEAM

Came to Perth about the same time, also played three matches on three consecutive days. They just lost to a full State Team, after extra time had been played and the score locked at four goals each. The game then went to penalty kicks and while W.A. converted all of theirs, the visitors missed one and made the final score nine eight in W.A.'s favour.

The next day they faced Stirling Macedonia under the lights of Dorien Gardens, and lost a close game by three goals to two. Their next opponents were Night Series Champions, Perth Italia and from somewhere the team from Singapore dredged up some extra strength and run out deserved winners by two goals to one.

SELANGOR DUDAL EHSAN

Selangor came to Perth as the Malaysian Champions having just pipped Singapore on goal difference. They were to face Italia who were fresh from winning the Federation League Championship. It was the local champions who turned out to be the strongest on the day, when two goals by Robbie Dunn followed by one each from Gareth Niven and Gerry Christie gave them a deserved four one victory.

GOLD MEDAL AWARD

On the 21st of September the Langley Plaza Hotel was a scene of glittering spectacle as the soccer fraternity of Western Australia joined with many others to pay their respects to that player who, for his conduct and skill throughout the season, would be named the Fairest and Best player for 1990.

Soccer stars from the past and the present mingled with distinguished guests as they congregated in the foyer for pre-dinner drinks. Many a tale was shared of past winners and many were the guesses proffered as to the possible winner.

The guest list was headed by the President of the Australian Soccer Federation, Mr John Constantine and contained representatives from the Government, Media and Sponsors.

Peter Newman ably compered the evening which was enlivened by the wit and virtuosity of entertainer, Peter Dee and brightened by the presence of the wives of a number of the players.

It was a succulent repaste that had been prepared and served courteously and carefully by the competent hotel staff. Following the entree of prawns, scallops and crabmeat salad with mango dressing, Peter Newman read the first round of votes which saw Gerry Christie on seven votes, one ahead of Claude Riberi of Olympic and the duo from Athena, Roki and Curran followed by Lazaridis of Macedonia.

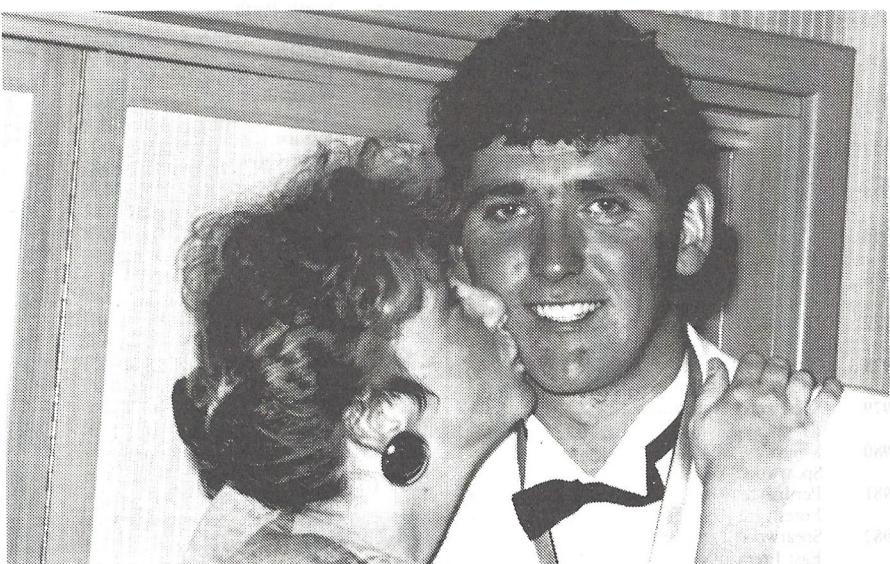

The second course of Leek and Potato Soup also heralded the second round of counting and we saw John Hunter appear for the first time. Each count was those votes incurred over a period of five games and John came in with fourteen points followed by Frank Bate of Macedonia on thirteen.

The main dish, Rack of Lamb with Rosemary Sauce, was not impaired by the mounting excitement and anticipation of the final count but as the third count was made it was seen that Jeff Curran who had won the two previous years had not increased his votes and Frank Bate was still the closest contender behind Hunter.

A delicious dessert of chocolate bouquet of strawberries preceded the entertainment by that inimitable Peter Dee and as he left the stage and laughter died down it was time for the serious business of discovering the winner of the Gold Medal.

A hush fell over those assembled as the first figures were read out. Kilkelly and Curran first on eleven. Davis and Bate on thirteen. Roki – fourteen, Normanton – fifteen and then with five votes from the last five games it was Athena's big John Hunter who was named the Fairest and Best player for 1990.

The medal presented by John Constantine made big John speechless and even more so as his beautiful wife bestowed a congratulatory kiss on him.

John Hunter, 1990 Gold Medal winner gets a kiss from his wife.

PERTH ITALIA

1990 will go down in the record books as Italia's year. A clean sweep of all Federation Trophies. This is an achievement which will be difficult to surpass.

In 1987, the four soccer clubs whose roots stemmed from the Western Australian Italian Community had a series of meetings with the intention of an amalgamation. The clubs concerned were Bayswater Inter, Balcatta Etna, Perth Azzurri and Fremantle Tricolore.

As a decision became imperative to concur with the start of the 1988 season. Bayswater Inter decided to pull out and remain an individual club in the Federation.

Those left in, now proposed to shed their identities. In the case of Perth Azzurri and Tricolore they went back before the federation in 1960, in fact both were sacrificing a combined distinguished history of 120 years.

Balcatta Etna was a comparative newcomer on the local scene, but nevertheless it took considerable courage to join the merger.

In 1988, the first year of competition for this new club must have caused some doubt in the minds of those who had instigated this bold venture, for they were third from bottom of an eight team league.

The year following, there was a decided improvement and they were runners up to Floreat Athena in the Super League.

That Perth Italia have won all the major trophies of the Federation in the one year is probably not the important factor, what is of supreme interest to all the other clubs, is that their decision to amalgamate has fostered an organisation which has become supreme in the many factors which go to make a successful professional club.

Full-time administration has proven an immense asset and the development of a coaching system covering all age groups within the club has obviously paid off.

Those stalwarts of the clubs involved who have had misgivings about their decision can surely now accept that what they did three seasons ago, was not only good for Italia, but good for all of soccer and is a model for other clubs to copy in the future.

FLOREAT ATHENA

Although not designated as 1990 Champions it would be remiss not to mention and perhaps dwell on Athena's achievement of going the whole league season without defeat.

In 1981 in a ten team league the winners also were undefeated but there the comparison ends for in that year they not only received the normal sponsorship prize but also a special \$10,000 bonus for going the season without being beaten.

Some comparisons may be of interest between Floreat Athena's 1990 record and those figures gained by the club who won the 1981 Championship.

	P	W	D	L	F	A	PTS
1990	18	17	1	-	71	16	52
1981	18	16	2	-	43	9	34

Of course a decade ago a win was worth only two points. So on that basis Athena would have been on 35.

Goal averages were used in those days and the 1981 winners were listed as having 4.778%. Athena would therefore have been 4.4375%.

Goal differences as used today would be – Floreat Athena ...+55. 1981 ...+34.

Some other notable contributions to soccer by the club is that they provided both the Fairest & Best Gold Medal winner and the highest individual goalscorer—John Hunter.
